

Onyx 2 Coccyx

Pressure reducing foam cushion

The **Onyx 2 Coccyx Cushion** has all the pressure reducing benefits of the **Onyx 2** cushion, plus the added feature of a removable coccyx insert.

Castellated foam offers superior pressure redistribution and the removable insert gives added pressure relief to the coccyx area if and when required.

Covered in a soft touch, breathable, waterproof cover the **Onyx 2 Coccyx Cushion** is designed for use in wheelchairs and/or day care chairs. Suitable for those up-to medium risk of pressure ulcer development.

Features	Benefits
Castellated foam	Offers excellent pressure reduction, comfort and support
2-way stretch, waterproof, breathable cover	Promoting comfort and assists infection control
Removable coccyx cut out	Gives added pressure relief to the coccyx area
