

Commode (Height Adjustable)

Height adjustable

Product description

The commode is designed to assist and avoid the risk of injury for those who have difficulty in accessing or using a standard toilet. The commode is height adjustable, can be supplied with removeable arms and is upholstered in vinyl to suit the user. It can also be used as a temporary chair as it features an easy to clean lift off seat, a hinged plastic toilet seat and a commode bucket with lid.

Benefits

- For those who have difficulty in accessing or using a standard toilet.
- Can be used as a temporary chair as it features an easy to clean lift off seat.
