

Over toilet seat on frame (combi)

Product description

This Toilet Frame supports individuals to give them confidence as they sit & rise, offering support and lessening strain. It has an adjustable height feature to cater for varying patient requirements.

The easy to clip on / clip off seat makes it easy to fit & remove and the partial cutaway provides easy access for personal cleansing.

Benefits

- Provide arms to enable the user to lift from the toilet.
- Height adjustable frame.
- Toilet seat with chute.
