Ultimate Healthcare
Trinity Plus Premier

Visco elastic foam mattress replacement

The **Trinity Plus Premier** replaces a standard mattress. It comprises of a castellated visco elastic foam insert to provide pressure redistribution by conforming to a users weight and temperature. The mattress also features a reinforced base and side wall.

The mattress replacement is ideal for patients considered to be up to **very high risk** of pressure ulcer development and can be used in a **community and long term care** setting.
Available in **single** and **double** sizes to provide flexible care options.

Features & Benefits

Castellated visco elasic foam

Allows for immersion, comfort and postural support whilst re-distributing pressure away from high risk areas.

Reinforced side walls and base

Offering stability and support whilst assisting patients and their caregivers with transfers.

Non-turn mattress replacement

Not requiring turning or rotating significanting minimises manual handling risks.

2-way stretch, waterproof, vapour permeable PU cover

Improving patient comfort and maintaining skin integrity by reducing shear and friction forces whilst aiding infection control.

High frequency welded seams and a fully concealed zip which reduces the possibility of fluid ingress to aid infection control.
