	Title: QUALITY POLICY		
	Effective Date: 24 Jan 2020	Document #: UHQP	Revision #: 2.0

Ultimate Healthcare’s overriding aim is to provide ‘Excellence through Quality’.

Top management is committed to provide products and services of the highest possible quality standards to satisfy our customer needs and regulatory requirements. Top management is committed to providing excellent quality service to our customers by:

- Consistently meeting or exceeding our customers expectation by product quality and performance
- On time delivery of products and services to meet our customers expectation and requirements.
- We are committed to complying with regulatory requirements while facilitating continuous improvement of QMS to maintain its effectiveness.
- Our employees understand their roles and responsibilities on how to support quality of our products and services.

This Policy reflects the strategy of Ultimate Healthcare and lays the foundations for our Objectives that are measurable and consistent with our quality policy.

Ultimate is committed to providing safe products through our implementation, monitoring and use of risk management that is designed to reduce, eliminate and prevent product and process risks and monitor through the Post Market Surveillance process.
