

Lifting Pole

Product Code: UBEB7003

The Lifting Pole and Handle provide stable overhead support for patients who find it difficult to rise out of bed.

Complimented by a moulded plastic height adjustable handgrip the lifting pole is designed for raising a patient to a sitting position comfortably. It can be fitted on the left or the right hand side of the bed.

Specifications

Overall height: 1840mm

Handle width: 220mm

Max load: 75kg
